LA besace 13
CLASSIC

Optimum protection for MacBook 13”

Fits

Technical specs.

Compact Cargo

Vast and compact, LA besace holds your MacBook and plenty of accessories and A4 documents, for a very compact bag of just 390 x 290 x130mm and only 760g.

Fashion Shelter

Built like a shell with hi-density paddings up to 8mm thickness, rainproof hi-quality 1682D nylon fabric, 420D nylon ripstop linings, metal hardware, waterproof zipper, and load-bearing hi-grade nylon shoulder webbing, LA besace is still a fashion icon. Its curves, trendy inner color and other details make a statement of style wherever you take it.

Fast & Safe

While the main compartment is totally secured by a zipper, conveniently store the small items you need on the go in the two fast-access pockets (one on cover, one hidden on the back). Inside, organize your items between the computer space, the documents folder, the three pockets (2 secured by zippers), pen holders, name cards holders, and ID tag clear pocket.

Compatible

Built for Apple MacBook 13 and digital accessories, LAbesace can adapt to any computer up to 320 x 240 x 40 mm (12.6 x 9.4 x 1.6").
